Media Release:

Please assist us in congratulating the 2015 SWKKF Scholarship recipients: Jessica Lebrun of London, Ontario and Elise Leong-Sit of Edmonton, Alberta! This year's selection process was challenging, as all the applicants were extremely talented in various endeavors beyond the application requirements. The scholarship review process truly demonstrates the depth of talent and dedication we have in our organization!

A tremendous thank you goes out to the selection committee and SWKKF for their support of educational pursuits.

Sincerely,

Sensei Kelsey Mramor
